1 800 EUR

Period : 19th century

Condition : Bon état

Material : Wood marquetry

Height : 15,5 cm

Description

Magnificent wooden pipe bowl with bone rings. In the upper part of the bowl we find a dressed couple sitting with their hands on their knees above a decoration of leaves and flowers. The central part of the bowl depicts many men on horseback below a castle tower and two houses.In the third part of the bowl we find two crowned Gallic chiefs in opposition. Purging system in the lower part of the bowl. Dimension: height 15.5 cm. Dated to the end of the 18th/beginning of the 19th century, probably France.
