Description

Mask from Ivory Coast in the typical style of sculptors of the Gouro ethnic group, the style is singular with the mouth, the small teeth, the long and slender nose like the half-open eyes. This narrow mask is surmounted by a female figure which is perhaps the incarnation of the ideal Gu beauty. Our mask arrived in France probably around 1950. Beautiful unwaxed patina. Delivery possible by chronopost for: France 30EUR Europe 50EUR Others 100EUR
