Description

Beautiful and heavy gold and diamond ring in the shape of two hearts. Large ring, very good condition, no wear or weaknesses. Eagle head hallmark so French work and indication of the legal title 750 / 1000th, 18 carats. Manufacturer's hallmark to be identified which seems to be "Ed" or "Fd". The diamond paving is very homogeneous in color and quality of stones. The total weight of the stones exceeds in my opinion by far the carat. This sentiment ring dating from the 1970s / 1980s is of beautiful manufacturing quality. Significant weight for a ring, 11.07 g. Ideal for a wedding anniversary gift, for an engagement or simply to declare your love. It can easily be adjusted to the desired size. Width of the heart-shaped bezel: 2cm, height of the bezel approximately 1.8cm.
