Description

1930s pedestal table from the Art Deco period. The modernist form lies in its cubist line. The round shelves are made of grain wood (h 55 cm 32 cm, diam 35 cm). The rectangular top includes a square pattern in reverse grain wood. (40 cm 30 cm) The column uprights are raised on rings, all in solid wood. The base follows the round shape of the base. With just two square feet. Rare model! Delivery possible, not included in the price
