Description

???? Antique poplar farmhouse table - 180 cm? A witness to time and shared meals This poplar wood farmhouse table exudes authenticity. Its top, patinated by the years, retains the memory of everyday gestures, convivial meals and simple moments experienced around it. Each trace, each shade of color tells a story, giving this piece of furniture a unique soul.???? Rustic and warm charm Its straight and sober lines, its large central drawer with cast iron handle and its beautiful natural patina make it a piece that is both robust and full of character. It fits equally well in a country house as in a contemporary interior in search of authenticity.???? A generous and convivial space With its 180 cm length, it can comfortably accommodate 6 to 8 guests. The 60 cm leg opening ensures perfect comfort for sitting
