Description

Beautiful noble coat of arms in sculpted marble. Intended to decorate the facade of a palace by displaying the arms of the family residing there, this elegant coat of arms carved from a block of white marble is the perfect example of models of this type made in Italy at the beginning of the 18th century. In very good condition and with a superb patina, it still has on the back an old wrought iron ring allowing its installation. Weight of approximately 15 kilos. NB/ No postal delivery. Collection on site in Uzes or transport at the choice and expense of the purchaser.
