Description

Empire Mantel Clock "Children Playing" Antique French Empire mantel clock in gilt and patinated bronze, "Children Playing" Model: "Children Playing" France, 1810 Clock Dimensions: Height: 51 cm Width: 33 cm Depth: 12 cm Antique French Empire mantel clock in gilt and patinated bronze. The theme of the clock is "Children Playing". Its wide base rests on six round feet and is decorated with an ornament depicting various children playing. The dial and clock are integrated into the symmetrical rectangular center of the clock. This centerpiece is decorated with two standing sphinxes. The centerpiece features a gilt roof where two cupids are playing. One, in a cape and hat, is holding a rattle. The other is also grasping it. Magnificent original gilt-plated mantel clock, in excellent
