

Antique Engraved Crystal Decanter - Bohemia, In The Style Of Moser, Circa 1920-1940

180 EUR

Period : 20th century

Condition : Bon état

Material : Crystal

Height : 31 avec bouchon

Description

Elegant blown colourless crystal decanter, with a teardrop-shaped body and narrow neck, topped with its matching stopper. Both the body and the stopper are finely wheel-engraved with sinuous, stylised motifs evoking vegetal scrolls. The purity of the crystal and the precision of the workmanship recall the productions of the Moser glassworks, the renowned manufactory of Karlovy Vary, although it bears no mark or signature. Condition: good overall condition, some signs of use consistent with age, and a slight haze of opacity inside, at the base.
