Description

Elegant Louis XVI period walnut console table, featuring harmonious proportions and a refined style. It rests on four entirely original spindle legs and is adorned with bronze Greek handles. The shelf is topped with superb Breccia marble, magnificent in its color and veining, perfectly preserved. All elements, legs, handles and marble, are original, attesting to the authenticity and quality of this piece. Ideal as an entrance console or decorative serving table, it will bring charm and elegance to any classic or contemporary interior.
