Description

Superb circular bowl or large dish in molded-pressed glass, signed "R. Lalique", "Marguerites" model created around 1941 by the famous French master glassmaker René Lalique (1860 - 1945). A delightful model distinguished by its wide rim decorated with daisy flowers in relief. All in transparency and light, it perfectly illustrates the refined and naturalistic style that characterizes the last creations of René Lalique. Very good condition, Dimensions: Diameter 36 cm Thickness 6.5 cm
