Description

Superb Alsatian wardrobe in blond oak. Mounted on a fir frame, our piece of furniture is entirely held together by wooden keys. The decoration, imitating stylized "napkin folds", is entirely made with "ogee" and "flowerbeds", which gives a very elegant relief to this superb model. It rests on 4 added ball feet. A rare piece of furniture with delicate proportions, incredibly modern, which can be mixed with old or modern furniture. You can integrate it into a contemporary home as well as in older residences.
