Description

Arman (1928-2005) - Signed poster
"Accumulation of watches" Original poster representing one of Arman's famous accumulations, entitled Accumulation of watches. Signed in pencil by the artist. Provenance: Galerie Ferrero Nice Paper: matte and glossy, allowing to bring out the intensity and richness of the work. In this emblematic composition, Arman diverts the everyday object - here the watch - to make it a visual language in its own right. The accumulation expresses profusion, memory and the relationship to time, central themes of the artist and his work. In very good condition, this signed poster is an original and decorative piece, perfectly representative of Arman's style and his work on the object.
