Description

This is a traditional kriss from Indonesia, complete with its scabbard. The guard adopts the typical shape with curved ends while the finely carved handle represents a stylized figure of mythological inspiration. This kriss testifies to the know-how of Javanese and Balinese artisans, it is an object imbued with spirituality and prestige, probably made of foreign silver. It has a beautiful patina, a guarantee of authenticity and antiquity. The patina is sumptuous on the edge. For the condition, we report a small lack on the handle, traces of classic wear from use. Our photos allow you to appreciate the quality of the object. Please detail the photos. Do not hesitate to zoom. The photos are an integral part of the description.
