

## Apoxyomenos Grand Tour

8 500 EUR

Period : 19th century

Condition : Très bon état

Width : 47cm

Height : 101cm.

Description
-------------

The bronze statue of Apoxyomenos adorned the Baths of Agrippa. A marble version was discovered in 1849 in Rome in Vicolo delle Palme, which was immediately renamed Vicolo dell'Atleto. The work was immediately exhibited in the Vatican Museums. The statue gained worldwide fame from its discovery. Traduci una conversazione
