Description

Of very nice proportions, our gendarmerie hat cabinet works with 2 doors and a large drawer nicely molded. Entirely dressed in fabrics, it has its original lock and key like all the metalwork. Made from various types of wood such as poplar, walnut and cherry, it has a golden blond patina specific to fruit wood furniture of this period. Of very nice proportions, it can be used in a bedroom as well as in a living room....Note: a cornice return to be glued.
