Description

This lamp is adjustable by two systems. You will note that one of the systems is not complete (it is missing a wooden rod on the back). Note small traces of classic wear, the lamp remains however in an acceptable general condition. It will simply be necessary to review the fixing system and find a small rod. The electricity is old so it must be reviewed for safety reasons. Our photos allow you to appreciate the quality of the object. For the condition, please detail the photos. Do not hesitate to zoom. The photos are an integral part of the description. Dimensions: Height: 53.5 cm Width: 33 cm Depth: 16 cm M3697
