Description

This is the first time we have seen this!
Exceptionally fine English jewelry box with music upon opening. This is an English jewelry box dating from around 1820-1860. It has a Swiss mechanism. When the box is opened, a pin detects the opening and the music starts playing. There is a button under the box to wind it up, so to speak. If you are interested, please send us a message and we can send you a video with sound.
Dimensions: 26W x 18D x 13H
