Berlin Iron Candlesticks

1 500 EUR

Period : 19th century

Condition : Bon état

Material : Cast iron

Length : 11

Width : 11

Height : 29

Description

A pair of Berlin candlesticks in the Neoclassical style, in the form of anthropomorphic stipites. On square bases decorated with scrolls, the stipites end in the torsos of bearded men holding flared candlesticks on their heads. Made around 1815.
