### Description

We offer you this splendid and refined side table, made in Italy around 1980s. It features a round shape with sturdy, elegantly curved iron legs. The top is made of refined green marble. Functionally, its compact size allows it to be easily integrated even into small rooms. You can use it as a side table next to an armchair or between two sofas, or you can use it to enhance a small corner of the room. Imagine it with a beautiful vase in the center: it will become the focal point of the room. The table is in perfect condition and can immediately fit into your beautiful home.

Wherever you decide to place it, this side table will be admired by all your guests.
