Description

Thailand, mid-20th century, very pretty bronze statue of a musician with a double dark and gold patina. She rests her left knee on the ground while on her leg rests a tambourine on which she plays with both hands. She is richly adorned with a headdress and large pectoral jewels. The fingers, of great finesse and the beauty of the patina add to the quality of execution of the whole. Dimension: Height 27 (cm). The scale witness on the last photograph is a tube containing homeopathic granules of a well-known brand. Good condition. We take particular care with our packaging by using optimal protection. Shipping is carried out with insurance included. Shipping rates: Metropolitan France: 22 euros, European Union countries and Switzerland: 28 euros, Eastern European countries and the
