Description

These exquisite Italian corner sideboards from the Louis XIV period, dating back to the second half of the 17th century, bring a unique historical charm to your living space. Crafted from solid walnut, these corner sideboards are designed to enhance the aesthetics of any space while offering functionality. Distinguishing features such as the decorative door panels are typical of the Louis XV period. The interior features several shelves. Finding a pair of corner sideboards from this era in such commendable condition is exceptionally rare. Although minor signs of wear attest to their rich history, they remain in good overall condition and have been restored with a conservative approach. It's essential to measure the corner spaces based on the dimensions of the sideboards: each corner side measures 73 cm
