### Description

We present this elegant antique Italian chest of drawers dating back to the second half of the 18th century, the Louis XVI period. An extremely refined furniture. Crafted from fine walnut with a light hue, its linearity perfectly reflects the taste of the era, which sought perfection through extreme elegance and refinement, often with the absence of excessive decoration. Some darker details create a striking visual contrast with a curious modern feel. The exquisite white marble top enhances the grace of this piece. Functionally, it features three convenient drawers. You can certainly consider placing this precious chest of drawers in any room of the house and enhance it by pairing it with a beautiful painting or a beautiful mirror. Wherever you choose to place it, it will become a focal point, admired and envied
