Grand Hotel Counter - Late 19th / Early 20th Century

1 200 EUR

Period : 20th century

Condition : Prévoir restauration

Material : Solid wood

Length : 340 cm

Height : 90 cm

Description

An important solid wood counter, originally from a prestigious Grand Hotel on the Romagna Riviera.Crafted between the late 19th and early 20th century, it features elegant moulded panels, gilt-edged frames and an architectural structure of great scenic presence.The counter is composed of two detachable sections, designed to create a large corner structure. Each part measures approx. 340 x 90 cm, for a total frontage of over six meters.The original top is missing, which makes the piece highly versatile and adaptable: it can be completed with marble, wood, metal or other materials to fit different interior design projects.It retains a beautiful aged patina and lends itself both to scholarly restoration and to creative reuse in interior design, hospitality projects, restaurants or prestigious private
