Description

France / 1930 / side table / wood / Art

DecoStunning side table made in the 1930s in France, a period of artistic flourishing and innovation. This table combines a classic black base, a dark wooden column with four graceful honey colored legs with decorative carving that support the wooden top with beautiful rich grain. The black feet make a sticking contrast with the colors of the wood used to make this delicate and elegant table. This table combines creative form and use of materials in an exceptional way. The beautiful wood textures show both the natural beauty of the material, and the craftsmanship of the designer. This table is not only a functional piece of furniture, but also a work of art that will enrich your interior with its charm and elegance. This table has been fully professionally
