

Wall Tapestry - Greenery With Birds

480 EUR

Period : 20th century

Condition : Très bon état

Width : 150 cm

Height : 185 cm

Description

Elegant wall tapestry depicting a greenery animated by two birds at the edge of a stream, among abundant and refined vegetation. In the background, a castle and hills are outlined in soft tones of blue, green and beige, creating an atmosphere that is both poetic and soothing. The finely woven foliage and the delicacy of the details recall the tradition of large Flemish and Aubusson greenery. A decorative piece of character, capable of transforming an interior with its harmonious and refined presence.

Dimensions: 150 x 185 cm
