Diameter : 16.5

Height : 25

Depth : 19.5

Description

A lovely pair of table lamps. Made in Sweden in the 1950s. The 'GK14' model for Gnosjö Konstsmide Rydahls features a pierced, enamelled conical shade topped with a tubular brass frame stamped 'S'. Design: Erik Wärnå. These lamps make a great pair of bedside lamps or occasional tables in a small room. Beautiful design and solid brass legs.
