### Description

We present this superb framed drawing (female nude) by PASCIN with studio sale stamp. Jules PASCIN is an artist of Bulgarian origin born in Vidin on March 31, 1885 and died young on June 2, 1930 at the age of 45. He was an American painter, draftsman and engraver of Bulgarian origin. We love this painter in whom we feel a great talent, who was influenced by VAN DONGEN, while keeping his true personality. Our drawing was certainly integrated into one of his many paintings.
