AVAILABLE IN PAIR. AVAILABLE IN TEAK. Superb Scandinavian sideboard by Carlo Jensen for Poul Hundevad, produced in the 1960s. This small two-door sideboard reveals two compartments. One side with two removable shelves on the right and on the other a series of two drawers also removable. Entirely worked in rosewood, the grain of the wood has character and remains elegant. On the top, the sides, the doors, the interior or even the legs, no detail is overlooked. Its harmonious proportions allow it to play different roles. Whether in a living room, a bedroom or even an entrance... This piece of furniture will adapt easily. There is a key. Made in Denmark sticker inside. Please contact me for delivery.
