Description

Vintage modernist mushroom-shaped floor lamp from the 50s and 60s. Very beautiful floor lamp, probably of Danish origin, Panthella, in excellent condition, both the structure and the lampshade. A space-age feel of great elegance for this light, diffusing a very beautiful, very soft light to effectively illuminate a living room or bedroom. Note the excellent condition of the lampshade, which has retained all its transparency and brilliance. Can be sent to France and worldwide by professional and specialized carrier.
