

## Domestic Copper

### Description

Beautiful size for this domestic copper, from the first half of the 19th century. Made of copper, well-bulged on a "generous" plinth with several steps. Pouring spout and its original curved reinforcement. Fixed lateral handle and swinging handle. Lid with bronze grip button. Good general condition. Very acceptable scattered wear and dents from use. Tinned interior. Note: the body made from a single sheet of copper ensures technical prowess. Price not negotiable. Delivery: EUR15 for mainland France. Other destinations: contact me.
