Description

Coat

Rack 'Les Arcs Miribel' by Charlotte Perriand

Minimalist coat rack made out of organically shaped pine and invisible metal

fixtures

The standing coat rack has a star-shaped base.

The section for hanging coats

consists of 6 round wooden rods with round

wooden balls at each end. The rods

with balls are adjustable on the mast.

57 cm in diameter and 162 cm high

Modernist design from the seventies
