

Micromosaic Table Top

3 500 EUR

Period : 19th century

Condition : Restauré

Material : Glass

Diameter : 56

Height : 1,5

Description

Micromosaic plaque. Italy, circa 1850. Nero Del Belgio with micromosaic inlay. Restored. In the center of this circular plaque is a medallion with St. Mark's Basilica in Venice. Around it, four white doves rest their feet on delicate roses. The exquisite micromosaic technique is distinguished by fine detail and a surprising chromatic variety. Price negotiable
