

Pair Of Bronze Vases With Inlaid Decoration, Indochina, 19th - Early 20th Century

180 EUR

Period : 19th century

Condition : Bon état

Material : Bronze

Description

Elegant pair of slender bronze baluster vases finely decorated with silver and copper inlays depicting stylized figures, architecture, and landscapes. Refined work from Indochina, probably Vietnam, around the end of the 19th or the beginning of the 20th century. Height: 21 cm.
Note: the last photo shows a slight deformation.
