Description

Elegant sculptural group in polychrome porcelain with gilded details, depicting a galant Rococo-style scene: two ladies and a gentleman gathered around a chess table. The oval base, decorated with golden motifs, conceals an integrated inkwell with ink pots and sander (now shown separately, with minor defects). A piece of Northern European manufacture, probably German (Dresden-related or similar), dating from the second half of the 19th century / early 20th century. A refined desk object, where function and historicist decoration come together. Dimensions Width: 24 cm Depth: 18 cm Height: 20 cm Condition One lady's hand broken, to be restored Missing some chess pieces (4 elements) Small chips and a fine crack on the inkwell Light wear consistent with age Overall, the
