Depth : 4,2 centimètres

Description

A slightly hollow bowl...In three-layer glass...So the one in the middle is actually colored glass marquetry...In perfect condition...A nice work of cutting and assembling...It's a bit surprising as a unique piece...And for the last layer a lot of bubble work...!From the 1970s/80s...And maybe older?!...From MURANO - ITALY...Weight... 832 gr
