Description

Shipping is free for mainland France via La Poste or Mondial Relay*****PITCHER with pewter shoulder, quarter-round foot and cup and acorn thumb. Gauging hallmark affixed four times on the lid and cup: large lily. Reproduced in the work cited below. Let us recall in passing that these pitchers were the wine measures of the Ancien Régime. The capacity of those used in inns, drinking establishments, etc., had to be periodically checked by the royal or ecclesiastical authorities to ensure "good measure" for the consumer, but in fact, this regulation was rarely applied and pitchers bearing gauging punches are very rare. Height: 20.9 cm. NÎMES, Around 1700
Rare provenance in good condition, a re-stoppering at the bottom is however reported
