Description

Antique Copper Casket - Bucolic Scene with Putti
Period: 19th century.

An extraordinary antique copper casket, finely handcrafted using the tamping technique and relief casting, depicting lively bucolic scenes inspired by classical and mythological themes. The side walls are adorned with playful cherubs immersed in vineyards, with naturalistic motifs of grapevines, leaves, and flowers elegantly intertwining around the figures. The upper part of the lid features a countryside scene with cherubs drinking wine from cups, set against a rural landscape with a country house in the background, framed by a rich floral frame.
The attention to detail, from the figures'
