### Description

Very pretty small double-body sideboard in solid walnut, called "diminutif". It opens on the front by four doors with richly worked panels, presenting foliage, volutes, arabesques and carved mirrors. The pediment, as well as the belt below the central top are decorated with pretty carved consoles. All the rear uprights, as well as the front uprights are decorated with a beautiful vertical decoration called "bird feathers". Our piece of furniture rests on two straight rear legs and two ball feet at the front, the whole is topped with a large molding. The sides are all paneled and decorated with inlaid fillets. This piece of furniture is small in size, giving the possibility of positioning it f
