Description

Large Italian Crystal Ceiling Fixture Round Flush Mount circa 1955, with five internal light, in good condition, rewired and ready to hang. Neoclassical style Large Italian circular crystal flush mount, a timeless circular five-light crystal pendant dating back to circa 1955, coming from an extraordinary elegant Milanese villa, Northern Italy. In good age related condition. The illuminating elegance of crystal on the ceiling is virtually unmatched by any other material; the majestic brilliant reflections is emphasized by those five internal lights, six E27 bulbs, inside a crystal shaped basket consisting of beaded crystal chains and festoons cascade. The round structure consist of an upper circular cast bronze crown, decorated with scrolling pattern in relief and crystal chain pendants and prisms. Classical
