Description

Mirror. Carved and gilded wood. 20th century. Large mirror with a carved and gilded wooden frame, decorated with a series of decorative elements of classicist influence reminiscent of 19th-century French influences. Some details (the combination of openwork moldings and volutes, the openwork curves of the crest, etc.) would, however, place it under the influence of certain artistic styles that appeared in Europe around 1900. Dimensions: 141 x 10 x 217 cm
