

## Plate From Islettes? Late 18th - Early 19th Century

90 EUR

Period : 18th century

Condition : Restauré

Material : Earthenware

Diameter : 23,5 cm

### Description

Plate from Islettes? Late 18th - Early 19th century Polychrome plate of low fire decorated with a rose and small flowers on the rim, combed edge (Islettes? Lunéville? St Clément?). Rim and cob undulated in a rocaille-type wave, which makes this plate original. Repaired; 6 peripheral chips repaired (see last photos of details). No cracks. Diameter 23.5 cm
