Description

This ideally sized burl mahogany chest of drawers opens with 5 identical drawers adorned with beautiful gilt bronze entrances representing floral laurel wreaths. These drawers are each equipped with a lock with a key in perfect working order. In the upper part of the piece of furniture, a secret drawer is hidden in the belt. The uprights, straight, fit a plinth with overhangs which ends with two turned ogive-shaped feet. This piece of furniture is topped with a "petit granité belge" marble with rounded contours on the front. This storage unit will please for its shallow depth, its clean lines and the grain of its wood. *****Period: Early 19th centuryExcellent condition. Waxed finish. Delivery possible, in France and Europe, by our partner specialized in the transport of furniture
