high quality wrought iron. It is hawthorn wood in good condition, but be careful, the scabbard was damaged, we will note a break with a small lack in the last third, apart from the scabbard part which contains the dagger, see the last panorama. However, good cosmetic condition, with a perfectly concealed weapon, we will note that a button which releases the dagger is hidden in a thorn birth of the hawthorn branch. Perfect concealment. The dagger is therefore equipped with a locking system and the chape is in the shape of the blade. Blade of diamond section. Blade which was originally blued, with scroll decorations, decoration which is still visible, but attenuated. Blade in its original length, not blunt and very straight. Without play between the blade and the handle. The ferrule (in good condition, solid) is metallic, iron tip and brass ring. Fast and well protected delivery SHIPPING WORLDWIDE
