Mid-19th Centuryporcelain And Gilt-bronze Chandelier

1 400 EUR

Period : 19th century

Condition : Bon état

Material : Porcelain

Diameter : 90

Height : 140

Description

An elegant nine-light chandelier in polychrome porcelain and gilt-bronze. The chandelier features classical decorations, with both bronze and painted figures. Its blue color, enriched with human figures and polychrome plant swirls, makes it unique and elegant. The lights are arranged in pairs of three, with arms decorated with plant swirls, and the chandelier is electrified. This tasteful chandelier, compact in size, will enhance any space with refinement and elegance. French manufacture, mid-19th century.Dimensions: H x DM 140 x 90cm
