

Pierre Labrouche (1861-1921) The Port Of Biscay Original Etching

220 EUR

Signature : PIERRE LABROUCHE

Period : 20th century

Condition : Bon état

Material : Paper

Length : 46

Width : 41

Description

Original etching, signed lower right. Handwritten indication "3rd state, definitive" lower left. On view: 32 x 27 cm Glass frame: 46 x 41 cm Superb engraving representing a lively view of the port of Biscay, with its moored sailboats and traditional houses in the background. Pierre Labrouche, painter and engraver born in Bayonne, was one of the great representatives of Basque engraving at the turn of the 20th century. His works, often devoted to maritime landscapes and ports of the Atlantic coast and Spain, are sought after for the finesse of his line and its authentic atmosphere. Condition: Visible foxing on the paper, but engraving clearly legible and framed under old glass. Period: Late 19th - early 20th century.
