Description

Incense burnerBronze and wooden base20thLate Meiji period (1868-1912)JapanIncised on one side, an apocryphal date: Bunmei 3 (1471) and an apocryphal dedication: Offered for Toyotomi HideyoshiImportant bronze incense burner with brown patina, the tall container with a vertical quadrilobed wall resting on a rock, and decorated with two figures in the round of Fudô-Myôô, one isolated, the other surrounded by two disciples and leaning against a flamed mandorla with traces of gilding, surmounted by the sun and the moon. The bottom is decorated with archaic motifs representing stylized cicadas and taotie masks. The base is decorated with two shishi in the round, in full run, their hind legs in the air. The incense burner rests on a carved wooden base decorated with lotus flowers.Some missing
