Oil on canvas from the first half of the 19th century depicting a servant trying on her mistress's dress during her absence and admiring herself in the mirror. We can see the servant's clothes on a chair. Amusing subject, full of humor, well treated and interesting because of the vision of a bourgeois interior of this period. 19th century frame in stuccoed and gilded wood. On its original canvas with small usual restorations. This painting comes out of the restoration (dusting, cleaning and consolidation of small repairs on the back of the canvas). No work is required.
