Description

Large cigarette box in solid English silver manufactured by the silversmiths Padgett and Braham in London and dated 1958. A clean design of geometric lines. The box is lined with cedar wood on the inside. The seat base is lined with leather. The patina is of high quality. The box is signed and bears all the usual hallmarks. It is also stamped "Kirk Beard and Co Paris". The Kirky Beard store located in the Opera district, selected and offered in Paris the most beautiful objects manufactured in England for a wealthy clientele including prestigious customers eager to buy the best of British know-how.
