Description

This trebuchet scale has a nice case, the whole is from the end of the 18th-beginning of the 19th century. We find a scene of merchants at work, probably in a tavern. The whole is natural, we report traces of friction and wear on the whole, note that the weights are missing inside, the paper is worn. The whole remains in an acceptable general condition. Our photos allow you to appreciate the quality of the object. For the condition, please detail the photos. Do not hesitate to zoom. The photos are an integral part of the description. Dimensions: Height: 1.9 cm Width: 16.6 cm Depth: 5.4 cm Cup diameter: 4.5 cm M3702
