Description

Vintage jewelry made up of a fall of round, pearly white oriental cultured pearls, separated from each other by a disc of deep green jade, also falling. The clasp is a rectangular, chiseled ratchet case, accompanied by a safety chain with spring ring. Period: 20th centuryMain material: white gold, 750 thousandths, 18 carats, eagle's head hallmark.Necklace re-threaded on silk thread with knots. Proportions: Length: approximately 58 cm. Pearl diameter: from 5.5/6 mm to approximately 8.5/9 mm. Net weight: approximately 37.6 g. Antique jewelry - French work from the 1970s. Our opinion: With a beautiful length, this necklace highlights the contrast between the whiteness of the pearls and the intense green of the jade discs. A successful marriage between these two precious gems.To find out
